

**UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF ALABAMA  
MIDDLE DIVISION**

**MICHAEL J. MAYS,**

**Plaintiff,**

**v.**

**STATE OF ALABAMA, *et al.*,**

**Defendants.**

**Case No. 4:23-cv-01478-ACA-SGC**

**MEMORANDUM OPINION**

The magistrate judge entered a report on February 24, 2024 recommending the dismissal of this action without prejudice under 28 U.S.C. § 1915A(b) for failing to state a claim upon which relief can be granted. (Doc. 9). Although the magistrate judge advised Plaintiff Michael J. Mays of his right to file written objections within 14 days (*id.* at 7–8), the court has not received any objections.

After careful consideration of the record in this case and the magistrate judge’s report, the court **ADOPTS** the report and **ACCEPTS** the recommendation. Consistent with that recommendation and 28 U.S.C. § 1915A(b), the court will dismiss the action without prejudice for failing to state a claim upon which relief can be granted.

A final judgment will be entered.

**DONE** and **ORDERED** this November 1, 2024.

A handwritten signature in black ink, appearing to read 'Annemarie', written over a horizontal line.
